COURT OF APPEALS LISA MATZ
Clerk

DALLAS, TEXAS

Appellant's Unopposed Motion for Extension of Time to File Amended Brief

Appellant seeks a 3-day extension of time to file his amended brief on the following basis:

1. On October 17, 2019, this court gave Appellant fifteen (15) days to file a brief to challenge the June 11, 2019, dismissal of the underlying lawsuit. The amended brief was due November 1, 2019.

2. The briefing schedule gives Appellees a subsequent seventeen (17) days to respond – or by November 18.

3. Appellant seeks a 3-day extension to make his brief due November 4, 2019.

4. This is Appellant's first request for an extension of time for the filing of the brief to challenge the June 11, 2019, dismissal order.

5. Further, Appellant already tendered the subject brief to the court, in the wee hours of November 4, 2019, at 12:14 a.m. – just a wee bit over 2 days late.

6. Appellees do not oppose this request.

7. October 20, 2019, North Texas and Beasley's neighborhood were hammered by tornados, with damage on his street, and houses destroyed just a few hundred yards away. Beasley's house was spared, but he was without electricity for a day and a half.

8. At 2:05 pm, on November 1, (the due date), Appellant informed Appellees' counsel of his situation, and the need for an extension. At 3:11 pm, that day, Appellees indicated they were not opposed.

9. Of course, Appellant would not oppose any request Appellees and their three (3) attorneys may need to have an additional 3-days added back to their briefing due date.

Based on the foregoing, appellant asks that the deadline to file his amended brief on the merits be extended to November 4, 2019.

Respectfully submitted,
/s/ Peter Beasley
